ABOUT US

The Bhilai Institute of Technology or BIT RAIPUR (Seth Balkrishan Memorial) was established in 2009 and is the second institution of the BIT Trust after BIT DURG. Its parent organization BIT Durg is the first private engineering college of central India and has successfully completed 34 years of excellence in the field of engineering education. It has withstood the trust of the people of the state and continues to do so. We believe in excellence through quality and innovation.

It is managed by a Board of Trustees. This trust forms a governing Body consisting of its representatives. The chairman of this governing body is Shri Vijay Kumar Gupta, a well known, top industrialist and philanthropist of central India and the member secretary is Shri I.P.Mishra who is a famous name in field of education and philanthropy. The board consists of educationists, scientists, industrialists and social workers.

Set up in the heart of the new capital of Chhattisgarh, New Raipur; BIT RAIPUR is approved and recognized by AICTE and is affiliated to CSVTU, Bhilai.

Shri V.K. Gupta
(Hon'ble Chairman, BIT Trust)

Shri I.P. Mishra
(Hon'ble Member Secretary, BIT Trust)

Dr. T. Rama Rao
(Director, BIT Raipur)

Dr. Anup Mishra
(Principal, BIT Raipur)

VISION

To become an international leader in the engineering education, research and the application of knowledge to benefit society globally and to emerge as a "Center of Excellence".

MISSION

Our mission is to be the place of choice for engineering education and research. We commit ourselves to be an institution that challenges its students, faculty and staff to learn, to grow, to achieve, and to serve the needs of society. We wish to be a place where excellence, excitement, innovation, and impact define the style and substance of its activities.

To provide a continuously improving educational and research environment in which faculty, administrators, students and staff work together to educate our students to lead, to have impact, and to make significant contributions to their professions, industry, government, academia, and society.

To attract diverse outstanding students, and to motivate and educate them to reach their full potential as leaders in engineering professions.
