

## Inauguration of NPTEL (National Program on technology Enhanced Learning) By BIT Raipur

The one of the most innovative and efficient learning tool **NPTEL**, developed and run by all the seven NIT's is now exclusively available for BIT Raipur students. This program has been developed by the **Department of Computer Science and Engineering** for BIT Raipur and inaugurated by the Honorable **Principal, Dr.Piyush Kant Pandey** on 24 June 2011. On this occasion Principal also presented a motivational seminar on the creative thinking and positive attitude in our life.

**About NPTEL**- NPTEL provides E-learning through online Web and Video courses in Engineering, Science and humanities streams. The mission of NPTEL is to enhance the quality of engineering education in the country by providing **free online courseware**. Through NPTEL, all the useful study and teaching material will be available online, which can be accessed exclusively by the students and faculties of BIT Raipur by using the Intranet of the institute.
