Infrastructure
A beautiful, lush green campus spread in 17 acres of land. The college has:
- THE ACADEMIC BLOCK
- THE FIRST YEAR BLOCK
- THE ADMINISTRATION BLOCK

INDEPENDENT FULLY EQUIPPED FIRST YEAR BLOCK
The institute has an independent block exclusively dedicated to the first year students. This is to facilitate them with proper attention, prevent unwanted situations like introduction, ragging and to monitor their development for further classes.

The college also has 3 conference rooms with full audio-video facility. Fully equipped and advance laboratories:
- Electronics and Telecommunication Engineering
- Mechanics and other compulsory labs of Mechanical Engineering
- Modern and advanced EEE Lab
- CAD Lab
- Civil Engineering Lab and Testing Lab
- Fully Wi-Fi Campus
- One Language Lab
- Workshop
- Chemistry Lab
- Physics Lab
- CS Lab

Facilities
- Hostel for Boys
- Hostel for Girls
- Mess
- Cantoon 2
- Gym
- Departmental Store
- Stationary Shop
- Bus Facility
- Book Bank Facility in Library

Outstanding Training & Placements
Outstanding Training and Placements - 100% Placement Assistance
Over 35 Companies Campus Drive
Over 80% Campus Selection

As a result of rigorous training and regular aptitude tests every year, BIT Raipur has an excellent campus placements and recruitment drives. In these drives top multinational and national companies chose the students on the basis of technical, non-technical aptitude tests, GD, technical and HR round interviews. As a result of hard work and focused training the students get through these drives and shall be successfully placed after the completion of their degree.
